Fearless Avenger!

Aug. 9th, 2013

So let me tell you the sagas of today...

Pitched battles were won. Enemies were conquered. Rebellious foes were destroyed!

And I also went to work for 6.5 hours...

Copies. I want copies.

The Expert is in

According to one customer, I saved her life!

You wouldn't believe it, Jim, but that titanium copy you made for me stopped a bullet!

Yes, our fearless adventurer presses on...

Duh Duhn Daaa!

Can you show me how to make a fax?

So good...

Aug 9^{1/2}, 2013

So I need more characters, Lord.

You are a character all by yourself.

Everyone here gets caught up in the pleasure of the pain...

... but looking inside we're the same we're the same...

But we don't know how... To get it back to good...

Well, Lords, a little matchbook can start a flame...

The inner drive.

Sept. 13th, 2013

I have this certain inner drive for power.

I like to change things so they suit me.

I like to change people most of all.

I am most interested in changing people that have authority over me.

But people with authority are usually not too interested in me... I have nothing they desire.

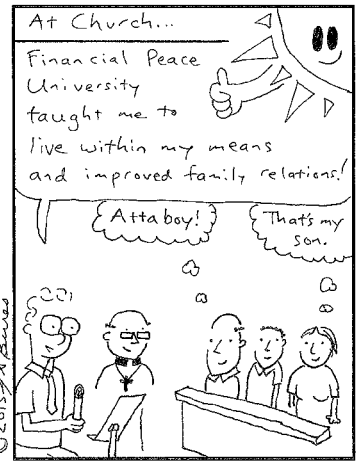

So it is kind of a grass roots effort. And I have to admit...

God can sure put the breaks on my attempts to gain power!
