I can do this:

# The Gospel Message of the Bible...

"Follow Me." ~ John 21:19    Stand firm and you will gain life. ~ Luke 21:19

Then Jesus said, "Come to me, all of you who are weary and carry heavy burdens, and I will give you rest." ~ Matthew 11:28

For all who have entered into God's rest have rested from their labors, just as God did after creating the world. ~ Hebrews 4:10

Thanks to Household Goods, I got a new set of furniture. After that, I was able to host my first guests, Paul + Carol, for a lunch of BLTs and gourmet chips. Then I had my first overnight guest, Roger, who visited for a combined total of four nights. It feels so good to finally host again, and in my very own apartment. I'm still setting up shop, and will decorate the walls with framed photos. I also got a beefy, adjustable cartoonist table thanks to five friends who donated toward it and Roger put it together. I am so psyched: it is so helpful in drawing cartoons, having the smooth, white, Formica surface that I have come to like.

I have a new website that Paul suggested: [www.etunein.com](http://www.etunein.com). It redirects to my music website. So funny: [www.etooin.com](http://www.etooin.com) for cartoons, and now [www.etunein.com](http://www.etunein.com) for musical tunes. What will God think of next? What will He inspire? What will He cause my friends to think up? How will He bless us all next? I'm looking for work in the human services field. Through networking, this led me to teach my first ever cartooning class, to four neurodivergent people who really enjoyed it. I'm also taking a Community Education Digital Photography class at the Mount. It is fun to photograph things and see what looks good.
