Between the silence of the mountains and the crashing of the sea...

Job #56 is in the rearview mirror. I don't know what's next. Suggestions? I don't want to do Uber long-term: too much wear & tear on my car without enough pay for a replacement. Please pray I can update my Toon in'... website: it is outdated. I am trying to cradle my budding cartoon business so I can avoid that four letter word: w-o-r-k. You can help by forwarding this Etoonin' to others. We aim to make you laugh.

I signed up for a Spanish class at Assabet Community Education. I love education. I'm going to the Dominican Republic in February 2027 to visit my World Vision sponsored child. She is 13 and requested to meet me. I gotta cram as much Spanish into my noggin as possible until then.

I traveled to Washington D.C. July 1 thru 6, 2026 to celebrate America's Semiquincentennial (250th) Anniversary. That was fun in so many ways. I enjoyed President Trump's speech, which was delayed by

lightning until 11:00 PM. I also enjoyed the 850,000 fireworks that followed. God even added some fireworks of His own. I saw lightning behind the fireworks at least three times! I take that as God's blessing.

We're all gonna die, so I encourage you to put your faith in Jesus Christ if you haven't already. You can read about Him at www.Bible.com. Start with Chapter 1 of the Gospel of John. It details how God gives the right to become children of God to those who believe. If you already have faith, congratulations! That faith is going to usher you into good places. A Heavenly home awaits. I suffered for years from depression and such, but now I am free! The Joy of the Lord truly is our strength. I don't have to worry about anything, especially not my sin. Jesus paid for it at the cross. I feel bad about it, but that's optional. God has moved on, and you can too! Embrace your Savior today. And stay tooned... more cartoons about Him are coming! May God bless you.
