Easter Edition

XXV/172

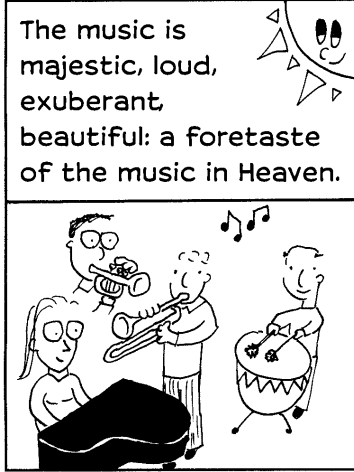

Happy Easter to you and your family and friends. Easter is the penultimate holiday because it celebrates Jesus' resurrection from the dead. If He is risen, so will we be. And those of us that

place our faith in Him will be with Him forever. No more curse. No more evil. No more pain. It will be perfect, and we will be made pure. Death will be no more. Our lives will never end.

Enter into the Kingdom by faith!

"For God so loved the world that He gave His only begotten Son so that all who believe in Him shall not perish but have Eternal Life" ~ John 3:16

The first person Jesus appeared to after His resurrection was Mary Magdalene in the garden outside His tomb. Then Jesus appeared to some of His disciples as they walked the road to Emmaus and talked with them. They took Him to a home, and when Jesus broke bread, their eyes were opened and they recognized Him. They met the other disciples in Jerusalem and then Jesus appeared to His eleven disciples. They were frightened, but overjoyed too. He asked them for something to eat and they gave Him a fish and watched Him as He ate. Then He opened their minds to understand Scripture.

It is imperative to believe in Jesus to get Eternal Life. The unfortunate truth is that Satan has blinded the minds of those who don't believe. Paul says, "If the Good News we preach is hidden behind a veil, it is hidden only from people who are perishing." My hope is that God will remove this veil and allow you to see.

The beauty of the Gospel is that faith in Jesus is all that is required to gain access to Heaven. The 10 Commandments and the book of the law are good, but no one can obey them all. So God, in His foreknowledge, gave Jesus Christ as the propitiation for our sins. This means that Jesus suffered and died for our sins, and took on Himself the wrath of God we should have suffered. But this only applies to the men and women who put their faith in Him. Those who lack faith in Jesus will find themselves outside, in the darkness, where there is weeping and gnashing of teeth. They will be in hell forever with no escape.

I encourage you to put your faith in Jesus today, if you have not already. I encourage you to read the Bible and learn about this God who is Jesus Christ. The Bible is all about Him. You can also read it at www.Bible.com. If you do not believe in Jesus, you stand under God's wrath. As John 3:36 states, "Whoever believes in the Son has eternal life, but whoever rejects the Son will not see life, for God's wrath remains on them."

When God saved my life on February 22nd, 1997, I thought I was fighting evil on the outside. But, I have come to learn, the fight between good and evil is within me, within my very own heart. It is painful to learn all the ways I go against the all powerful God. But thanks be to God for He is grace-filled toward those who believe in His Son, Jesus. He delights to show us mercy and undeserved favor. All it takes is to acknowledge Him.

This is what Easter is about: the permanent victory of Jesus against all the ways we go against God. He took it upon Himself to save us. He says, "In this world you will have trouble. But take heart! I have overcome the world." And Romans 5:8 says, "But God demonstrates his own love for us in this: while we were still sinners, Christ died for us." Because of what Jesus did on the cross, we are forgiven, made right, and will live eternally.

So, happy Easter to you! Happy Easter from the God who overcame death. It may be hard to believe that life is eternal, but don't we all hope it will be? It may be hard to believe the Bible is true, but won't you read it to decide? I did and I have come to conclude that it is. You are all my family and my friends and I want you to avoid a costly, eternal mistake. What can I do to get you into this salvation today? What can I do to get you to come to Church for Easter and see for yourself what they preach? Please give God a try! Take him for a test spin. Taste and see that the Lord is good! For His anger lasts only a moment, but His favor lasts a lifetime; weeping may stay for the night, but rejoicing comes in the morning.

To all those who already believe: may God be with you as well! May God make your hearts glad as you deepen your walk with Him. May God bless you and be gracious unto you. May He make His face to shine upon you! Happy Easter to everyone! I wish you a joyful celebration. Love, Jim Bures.
